What a year 2023 has been for Project Education Honduras, Inc.! We give God all the Glory, Praise, and Honor!

Monday, January 9th-14th

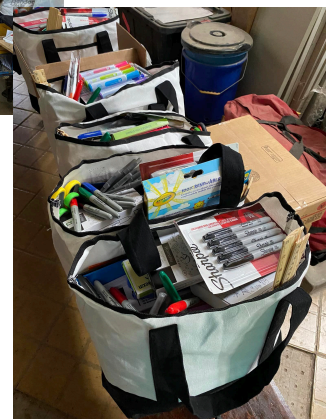

Scott and Teresa went to Cosmul in January for 5 days and assisted Prayer Plan Missions with cleaning and making a few repairs at the school in Cosmul. We are so excited to see how God is using the teacher, Nubia, to spread the love of Christ. She is such a woman of faith and is allowing God to use her to provide a quality education to children in the community where she was raised. Please continue to pray for her and all the children in Cosmul, that God will continue to bless them and that His Word will continue to be spread to this young generation in Honduras. We also want to pray that as many children as possible in Cosmul will be able to benefit from a quality education at this school.

In addition to cleaning and doing a few repairs with PPM, we also packed up many books that were sent to Copan to be used by teachers there, as well as eight sewing machines that will be such a blessing at the new training center.

Saturday, February 4th-18th

In February, Allison and Teresa set out for a week in Copan delivering school supplies to teachers and children. Then, Teresa continued on for another week in the area of Comayagua, specifically in Chagatillos and the surrounding villages. The teacher supplies included a bag filled with all kinds of materials including a stapler, sharpies, wipe-off markers, paper, rulers, markers, pens, liquid glue, and many other useful items. A total of 32 bags were distributed. The children were given bags with a pencil pouch/box, crayons, colored pencils, pencils, erasers, stick glue, and pencil sharpeners. 100 Kinder Bags were distributed to little ones; 570 bags were distributed to children in 1st through 6th grade; 28 bags were distributed to 7th-9th grade youth, and 15 bags were distributed to 11th & 12th grade youth. That is a total of 713 bags of school supplies given to children and youth in the areas of Copan and Chagatillos. A total of 13 schools received bags of student supplies and 15 schools received supplies for the teachers.

PEH, Inc. Board: Allison Hicks, President; Scott Randolph, Vice-President; Kayla Garcia, Secretary; Terry Hicks, Treasurer; Dennis and Teresa Gray, Co-Directors; Samuel Herrera, and John Cyrus

September 16th-24th

Teresa, Dennis, Allison, Terry, Scott, and Jonathan all set out on September 16th for a week that was filled with blessings. In Chonco, we replaced the windows and shared the stories of Noah, Joseph, and Moses. In addition to working in Chonco, we also went to Mecatal to paint the swingset and share the story of Noah and Daniel. We also visited El Limon, where we shared the stories of Daniel and Ruth and Naomi, and Las Medias, where we shared the story of David and Goliath. One of the goals of PEH is to build relationships in the communities where God sends us. This trip, God gave us so many opportunities to share about Old Testament heroes and build relationships with the teachers and the children. Finally, we were able to do some work at the Training Center. Throughout the week, we witnessed so many God moments. It is hard to even put into words how God guided and directed every moment of this trip. We are so thankful for Him and will continue to give him the honor and glory for everything He does through PEH.

October 14th-22nd

Scott, Dennis, Teresa, and Kayla made the trip in October, and it was such a joy to spend the entire week at the training center! God is going to use the center for so many purposes, and we are excited to be just a small part of it with the Honduras Education Association. The week was spent painting and getting it ready for HEA to start classes in November. We are continuing to pray about how PEH will support the Training Center and HEA, as it begins to be used by God to teach vocational skills, as well as to spread the Gospel to all ages. Everything from welding, carpentry, sewing, terrace gardening, and masonry have been discussed. In addition, there are plans to have Bible Studies and conferences at the center for all ages. We know that God has big plans for the center and ask that you be in constant prayer for the center, Edgardo, Emilio, and all of HEA as they seek His guidance and wisdom for how the center will be used. We also ask that you give thanks to God for how He has brought together so many people to get the center ready and operational so quickly. Truly, God is at work!
