Dear Family and Friends,

PEH, Inc. is gearing up for two trips in September and October. In September, we will be working in three different schools to do repairs. If we have time, we will start on repairs at a fourth school. In October, we will be cleaning and making repairs at the training center. The training center is going to be used to teach specific skills that will offer individuals more opportunities when searching for a job to support themselves and their family. Most children drop out of school by 3rd grade and, as such, job opportunities are very few. However, this training center will give hope to many people that otherwise would have very few opportunities to learn a new skill. Things such as sewing, welding, carpentry, masonry, and terrace gardening are all programs that have been discussed. In addition, we hope that it can be used for bible studies and retreats to spread the word of God. There is so much to be done. However, each step of the way, God is guiding us in where to go, when to go, and what to do.

We continue to work alongside our friends and other missionaries in Honduras. However, for us to continue the work we are doing, we do need financial support. We are budgeting \$6,000.00 for the trips in September and October combined. Also, for one individual to go to Honduras, it costs about \$1700.00 in the fall. We are inviting others to join us to help us with the repairs, see what God is doing, and spread his love amongst our friends in the region of Copan. Please contact us if this is something you feel God is calling you to do. PEH Team Members and the Co-Directors who go to Honduras typically pay for all their expenses as well. However, we would like to off-set those expenses. Our top priority, however, is in raising the funds for the repairs.

Would you be willing to help with the cost of repairs and/or the cost of our PEH Team Members who will be the hands and feet of Jesus? All donations may be made to PEH, Inc. and sent to the address above. You may direct all correspondence to the Co-Directors, Dennis and Teresa Gray. All donations to PEH, Inc. are tax deductible, and a report of your donations will be sent at the end of the year. To those who feel God nudging you to support PEH, Inc., "Thank you!" We appreciate your financial support.

Prayer is also extremely important to what we are being called to do in Honduras. We ask all of you to begin praying for the trips that are coming up this fall. We know that God has big plans, and we commit everything we are doing to Him.

Thank you for supporting PEH, both financially and in your prayers. We are humbled at the tremendous support that has poured in at just the right time to accomplish God's plan in Honduras through PEH. Please don't hesitate to reach out if you have any questions!

School Supplies and Medicines

Over the next couple months, stores will begin to stack their shelves with school supplies. In February of 2024, we will be returning to Honduras to give out supplies to teachers and children. Would you consider doing a school supply and medicine drive to help with the needs in the schools in Honduras? Below is a list of what we collect. Please let us know if this is something your faith community or organization may be willing to do. You may contact Teresa at 704-239-3811.

Student Supplies: (These are the supplies that are needed. Although other supplies are appreciated, keep in mind that the children have nothing. Also only the Crayola Crayons and Elmers glue sticks work well in the humidity.)

Pencils

Pens

Colored pencils

Crayola crayons (rose art crayons melt in the hot climate very easy)

Scissors

Erasers (Large and Pencil top)

Glue Sticks – Elmer’s Glue Sticks

Composition Notebooks (non-spiral – The kind that are used as journals in the US.)

Pencil Pouches that fit crayons and pencils (not boxes)

Small Pencil Sharpeners

Medications:

Ibuprofen

Acetaminophen

Cold Medication

Cough Medication

Vitamins

Allergy Medication

Anti-Diarrhea

Anti-Itch Cream

Antibiotic Ointment

Basic First Aid Supplies

Children’s Medicines...particularly cold and cough; Mucinex or guaifenesin as well as vitamins, Tylenol and ibuprofen
